OFRN Information Session

August 23, 2019

The Ohio Federal Research Network is partnering with the University of Cincinnati to present the OFRN Information Session which will give an overview of the Ohio Federal Research Network (OFRN) and the soon to be released OFRN Round 4 RFP for the Sustaining Ohio's Aeronautical Readiness and Innovation in the Next Generation (SOARING 2.0) initiative.

Attendees will:

- Gain an overview of the OFRN and OFRN's Round 4 RFP for the Sustaining Ohio's Aeronautical Readiness and Innovation in the Next Generation (SOARING 2.0) initiative
- Acquire insight about the OFRN contracting process and how OFRN's dollars and contracts work
- Receive free grantsmanship training on going after federal research dollars

Contracting personnel will have the opportunity to have in-depth discussions with an OFRN contracts officer.

Who Should Attend? Researchers, businesses, and contracting agents interested in learning about the OFRN and the OFRN Round 4 SOARING 2.0 RFP should attend this informational briefing.
